Guaranty agencies use the GAFR to: (1) request reinsurance from Education; (2) request payment on death, disability, closed school, and false certification claim payments to lenders; (3) remit to Education refunds on rehabilitated loans and consolidation loans; (4) remit to Education default and wage garnishment collections. Education also uses report data to monitor the guaranty agency's financial activities (agency federal fund and agency operating fund) and each agency's federal receivable balance.
